## ATA CARNET - SECURITY RATE CHART (includes 10% Penalty Rate)

The ATA Carnet provides a guarantee to the Castoms of a foreign country into which the goods are temporarily imported that all duties, bexes etc., will be paid to them if the conditions under which they allow these into the country are breached. The issuing Chamber must receive an equivalent externly from the Carnet user. This security must be for an amount of each possible to the goods in any country of destination, and transit if applicable (inclusive of a possible 10% possible as had down by the incremational ATA Convention). It will disregard any perfectorial artificial may be in force at the time because Customs authorisise may obmended signors such preferential rates. The security, or the security of the security of the country are to great or a basis of the security of the securit

UAE	Category (b) only.
United States of America	Category (a) and (c) only, We are unable to guarantee the acceptance of an ATA Carnet covering 'vehicles',

EC/CPD/CHINA-TAIWAN CARNET

Agreement has been reached between the EC, Taiwan and the International Chamber of Commerce to establish a system of Carnets similar to that for ATA Carnets. The Carnet covers goods temporarily imported/exported between the EC and Taiwan and is called an EC/CPD/China-Taiwan Carnet. (CPD = Carnet de Passage). Other than a different colour code and A4 format to distinguish it from the ATA Carnet, the conditions of its use, the goods for which it can be used and EC Customs procedures are identical to those for the ATA Carnet.
